SUPPLEMENT TO
REPORT NO.

25X1X

1. During the latter part of August 1951 a commission of seven Soviet officers, experts in the manufacture of war materials, arrived at Budapest.
2. A conference took place at which were present members of this commission, members of the Soviet military mission to Budapest, Major General Stabov, Captain Sucin (fnu), Major Kun (fnu), a representative of Ernő Gerő, and other people.
3. After having reproached the Hungarian directors for the large quantities of materials and goods delivered by Hungary that are not usable, the commission announced a decision of the Soviet government according to which a permanent commission of 10 to 15 persons would be named for each factory whose products are sent to Russia. This decision was based on the various agreements made by the Hungarian government for furnishing war material and other goods.
4. These permanent delegations will be responsible for the proper manufacture and the prompt delivery of the products. They were to arrive in September and to be installed at the following factories:

Első Pécsi Bőrgyár
Almásfüzitői Vacuumgyár
